Sub: Rate of Fuel Price and Power Purchase Adjustment Charges (Fuel Surcharge) applicable on the consumption for the month of April 2013 to June 2013 and till further instructions.

This has reference to our earlier letter dated 29th January 2012 intimating to charge Fuel Surcharge @ 118 Paise per unit from all categories of consumers excluding Agriculture consumers from January 2013 and onward till further communication in this regard.

Hon'ble GERC through Tariff Orders dated 6.9.2011, has shifted the base year from FY 2006-07 (period April-06 to Dec-06) to 2009-10 for FPPPA calculation. While shifting the base, GERC has frozen FPPPA at 61 Paise for shifting the base.

FPPPA for 4th quarter of FY 2012-13 works out to 105 Paise/Unit including 61 Paise/unit towards frozen FPPPA.

Accordingly, you are requested to kindly commence recovery of FPPPA of 105 Paise/Unit on consumption during April to June 2013 and onward till further instructions from all categories of consumers excluding Agriculture consumers since Government of Gujarat will give subsidy to Discoms for Agricultural consumption.
