intimation (six copies) addressed to the Secretary within within thirty days from the date of the first publication of the notice.”

(iii) All objections to an application for amendment pursuant to publication of notice under clause (ii) above shall be considered by the Commission if received within thirty (30) days from the date of first publication of the notice.

(iv) Where an amendment to a Distribution Licence is proposed by the Commission suo motu, the Commission shall publish a notice in one issue each of a daily news paper in English language and two daily news papers in Gujarati language having wide circulation in the area of operation of distribution licence sought to be amended giving following particulars:

(a) Name of the Distribution Licensee and address of main office in the area of supply;

(b) Description of alteration or amendment proposed to be made by the Commission;

(c) Brief Reasons for proposed alteration or amendment;

(d) A statement that any person, desirous of making any suggestion or objection with reference to application to the Commission, may do so by way of written intimation (six copies) addressed to the Secretary within within thirty days from the date of the first publication of the notice.

All objections to the proposed amendment, received within one month from the date of first publication of notice, shall be considered by the Commission before effecting or rejecting the proposed amendment.

(v) The provisions of these Regulations relating to grant of Distribution Licence shall, as far as may be practicable and necessary, apply to

consideration and disposal of an application for amendment of Distribution Licence.

- (vi) In the case of an application proposing an amendment in an Area of Licence comprising the whole or any part of the cantonment, aerodrome, fortress, arsenal, dockyard or camp or of any building or place in the occupation of the Central Government for defence purposes, the Commission shall not make the amendment except with the consent of the Central Government.

17. Revocation of the Distribution Licence

- (i) The Commission may revoke a Distribution Licence in accordance with the applicable provisions of the Act and the State Act, in any of the following circumstances, namely:-
 - (a) where the Distribution Licensee, in the opinion of the Commission, makes wilful and prolonged default in doing anything required of it by or under the Act or the State Act or the rules or regulations made thereunder;
 - (b) where the Distribution Licensee has breached any of the terms or conditions of its Distribution Licence, the breach of which is expressly declared by such Distribution Licence to render it liable to revocation;
 - (c) where the Distribution Licensee fails, within the period fixed in this behalf by its Distribution Licence, or any longer period which the Commission may have granted therefor –
 - (1) to show, to the satisfaction of the Commission, that it is in a position fully and efficiently to discharge the duties and obligations imposed on it by its Distribution Licence; or
 - (2) to make the deposit or furnish the security, or pay the fees or other charges required by its Distribution Licence;

- (d) where, in the opinion of the Commission, the financial position of the Distribution Licensee is such that it is unable fully and efficiently to discharge the duties and obligations imposed on it by its Distribution Licence.
- (e) where the Distribution Licensee, in the opinion of the Commission, has made default in complying with a direction given by the Commission.

Provided that the licence shall not be revoked except after an enquiry by the adjudicating officer appointed by the Commission under Section 143 of the Act in the manner prescribed by the State Government.

- (ii) Where in its opinion the public interest so requires, the Commission may, on application, or with the consent of the Distribution Licensee, revoke its Distribution Licence as to the whole or any part of its Area of Licence upon such terms and conditions as it thinks fit.
- (iii) On receipt of report of inquiry made under sub-section (i), the Commission may pass appropriate orders, including revocation of Distribution Licence, after giving opportunity to the Distribution Licensee to make representation in connection with the report.
- (iv) No Distribution Licence shall be revoked under clause (i) above, unless the Commission has given to the concerned Distribution Licensee, not less than three months' notice, in writing, stating the grounds on which it proposes to revoke the Distribution Licence, and has considered any cause shown by the concerned Distribution Licensee within the period of that notice, against the proposed revocation.

Where the Commission revokes a Distribution Licence under this Regulation 17, it shall serve a notice of revocation upon the concerned Distribution Licensee and fix a date on which the revocation shall take effect.

- (iv) The Commission may, instead of revoking a Distribution Licence under clause (i) above, permit it to remain in force subject to such further terms and conditions as it thinks fit to impose, and any further terms or conditions so imposed shall be binding upon and be observed by the Distribution Licensee and shall be of like force and effect as if they were contained in the Distribution Licence.
- (v) Where the Commission revokes a Distribution Licence under these Regulations, it shall serve a notice of revocation upon the Distribution Licensee and fix a date on which the revocation shall take effect.
- (vi) Where the Commission has given notice for revocation of a Distribution Licence under clause (v) above, without prejudice to any penalty which may be imposed, or prosecution proceeding which may be initiated, under the Act and/or the State Act, the Distribution Licensee may, after prior approval of the Commission, sell its utility/business to any person who is found eligible by the Commission for grant of a Distribution Licence.

18. Suspension of Distribution Licence and sale of utility

- (i) If at any time the Commission is of the opinion that the Distribution Licensee-
 - (a) has persistently failed to maintain uninterrupted supply of electricity conforming to standards regarding quality of electricity to the consumers; or
 - (b) is unable to discharge the functions or perform the duties imposed on it by or under the provisions of the Act or the State Act; or
 - (c) has persistently defaulted in complying with any direction given by the Commission under the Act or the State Act; or
 - (d) has breached any of the terms and conditions of the Distribution Licence,

and circumstances exist which render it necessary for the Commission in public interest so to do, the Commission may, for reasons to be recorded in writing, suspend, for a period not exceeding one year, the Distribution Licence of the Distribution Licensee and appoint an Administrator to discharge the functions of the Distribution Licensee in accordance with the terms and conditions of the Distribution Licence.

Provided that before suspending a Distribution Licence under this section, the Commission shall give a reasonable opportunity to the Distribution Licensee to make representations against the proposed suspension of the Distribution Licence and shall consider the representations, if any, of the Distribution Licensee.

- (ii) Upon suspension of the Distribution Licence as mentioned above, the provision of Section 24 of the Act would apply.

19. Payment of Licence Fees

- (i) Within 30 days, or such other period as the Commission may allow after the commencement of the Licence, the Licensee shall pay an Initial Licence fee as may be specified.
- (ii). For each subsequent Year that the Licence remains in force, the Licensee shall, pay to the Commission Annual Licence Fee as may be specified.
- (iii) Where the Distribution Licensee fails to pay any of the fees due under sub-clauses (i), or (ii) above by the dates specified:
 - (a) The Distribution Licensee shall be liable to pay interest on the outstanding amount at the prevailing bank rate, the interest being payable for the period beginning on the day after which the amount becomes due, and ending on the day on which the payment is made; and

- (b) The Distribution Licensee shall be subject to proceedings for the recovery of the fees; and
- (c) The Commission may revoke the Distribution Licence pursuant to the applicable provisions of the Act and the State Act.

Provided that nothing contained in this clause shall be deemed to discharge any liability that the Distribution Licensee may be subject to under the Act and/or the State Act or any other law for the time being in force.

CHAPTER-4

General Conditions of Distribution Licence

20. Development and Maintenance of Distribution System

The Distribution Licensee shall have the duty to develop and maintain an efficient, co-ordinated and economical distribution system in its Area of Licence for the purpose of supplying electricity.

21. Obligation to supply on demand

- (i) Subject to the provisions of the Act, the Distribution Licensee shall, on the application of the owner or occupier of any premises within the Area of Licence, give supply of electricity to such premises within one month of the receipt of such application or within such period as may be specified by the Commission if such supply requires extension of distribution mains or new substations.
- (ii) Where the owner or occupier of any premises requires supply of electricity under the terms of clause (i) above, the application shall be made in a form prescribed by the Commission and the procedure for responding to that application shall be in accordance with the procedure approved by the Commission.

- (iii) The Distribution Licensee shall have the duty to provide, if required, any electric plant or electric line for providing the electric supply to the premises in terms of clause (i) above.

Provided that no person shall be entitled to demand, or to continue to receive, from a Licensee (including a Distribution Licensee) a supply of electricity for any premises having a separate supply unless he has agreed with the Licensee (including the Distribution Licensee) to pay to it such price as determined by the Commission.

- (iv) The Distribution Licensee shall always endeavour to procure adequate power of appropriate quality for supply to consumers.

22. Power to recover expenditure

The Distribution Licensee may charge from a person requiring a supply of electricity in pursuance of Regulation 21 above, any expenses reasonably incurred and approved by the Commission, in providing any electric line or electrical plant used for the purpose of giving that supply.

23. Power to require security

- (i) Subject to the provisions of Section 47 of the Act, a Distribution Licensee may require any person, who requires a supply of electricity in pursuance of Regulation 21 above, to give it reasonable security, as specified by the Commission, for the payment to it of all monies, which may become due to it -

- (a) in respect of the electricity supplied to such persons; or
- (b) where any electric line or electrical plant or electric meter is to be provided for supplying electricity to person, in respect of the provision of such line or plant or meter;

and if that person fails to give such security, the Distribution Licensee may, if it thinks fit, refuse to give the supply or to provide the line or plant or meter for the period during which the failure continues.

- (ii) Where any person has not given such security as is mentioned in clause (i) above or the security given by any person has become invalid or insufficient, the Distribution Licensee may, by notice, require that person, within thirty days after the service of the notice, to give it reasonable security for the payment of all monies which may become due to it in respect of the supply of electricity or provision of such line or plant or meter.
- (iii) If the person referred to in clause (ii) above fails to give such security, the Distribution Licensee may, if it thinks fit, discontinue the supply of electricity for the period during which the failure continues.
- (iv) The Distribution Licensee shall pay interest equivalent to the bank rate or more, as may be specified by the Commission, on the security referred to in clause (i) above and refund such security on the request of the person who gave such security.
- (v) The Distribution Licensee shall not be entitled to require security in pursuance of clause (i)(a) above if the person requiring the supply is prepared to take the supply through a pre- payment meter.

24. Open Access

Subject to the various phases of introduction of open access under Section 42(2) of the Act, the Distribution Licensee shall arrange for the provision of non-discriminatory open access to its distribution system to

any persons in accordance with the Open Access Regulations issued by the Commission.

25. Prohibition of subsidies

The Distribution Licensee shall not give any subsidy or subvention to any person or any Other Business of the Distribution Licensee, except a subsidy granted by the State Government pursuant to Section 65 of the Act.

26. Prohibition of Undue Preference

- (i) The Distribution Licensee shall not, in providing services required of it under the Distribution Licence and in general conduct of the Licensed Business, show undue preference to any person or class of persons and shall not unreasonably discriminate against any person or class of persons or Licensee or generating company or its consumers or other Licensee's consumers.

Provided that the Distribution Licensee shall not be deemed to be in breach of its obligations under the Distribution Licence if any undue preference results from compliance with any directions of the State Government under the Act or the State Act or in the implementation of any order passed by the State Commission.

- (ii) Any question as to the meaning of undue preference or unreasonable discrimination shall be decided by the Commission, whose decision in this regard shall be final.

27. Acts Requiring Prior Consent

- (i) The Distribution Licensee shall not do the following acts without the prior written approval of the Commission -

- (a) undertake any transaction to acquire, by purchase or takeover or otherwise, the utility of any other Licensee;
- (b) merge its utility with the utility of other Licensee; or
- (c) assign the Distribution Licence or transfer its utility or any part thereof, by sale, lease, exchange or otherwise

Provided that approval shall not be required if the utility referred to in sub-clause (a) or sub-clause (b) above is situated in a State other than the State of Gujarat.

- (ii) Any agreement relating to any transaction specified under clause (i) above, unless made with the prior approval of the Commission, shall be void.
- (iii) The Distribution Licensee shall, before obtaining the approval under clause (i) above from the Commission, give not less than one month's notice to every other Licensee who transmits or distributes electricity in its Area of Licence.
- (iv) Where such prior approval is required, the Distribution Licensee shall file a suitable application with the Commission disclosing relevant facts in that behalf. The Commission may within 3 months of the application being filed, approve the arrangement subject to such terms and conditions or modifications as is considered appropriate or reject the same for reasons to be recorded in writing.

28. Other Business of the Distribution Licensee

- (i) The Distribution Licensee, with prior intimation to the Commission, may engage in any Other Business, only so long as such activity is likely to result in the optimum utilisation of the assets and infrastructure comprising the distribution system and subject to the following conditions:

- (a) that the Licensed Business and the conduct thereof by the Distribution Licensee is not prejudiced and/or adversely affected in any manner;
 - (b) that a proportion of the revenues derived from such Other Business, as may be specified by the Commission, shall be utilised for reducing the wheeling charges of the Distribution Licensee;
 - (c) that the Distribution Licensee shall maintain separate accounts for each of such Other Business to ensure that the Licensed Business neither subsidises such Other Business undertaking in any way nor encumbers its distribution assets in any way to support such business;
 - (d) the Distribution Licensee shall always comply with such guidelines as the Commission may specify in this regard.
- (i) The Distribution Licensee shall seek approval of the Commission before contracting any loans to, or issuing any guarantee for any obligation of any person, where the same is either beyond the permissible limits imposed by the Companies Act, 1956, or cannot be construed as being an exception and/or exemption under the Companies Act, 1956. Loans to employees pursuant to their terms of service and advances to suppliers in the ordinary course of business are excluded from the requirement to seek such approval.
 - (ii) Nothing contained in this Regulation 28 shall apply to a local authority engaged, before the commencement of the Act, in the business of distribution of electricity.

29. Franchisee

The Distribution Licensee may authorise any other person to undertake distribution of electricity for a specified area within its Area of Supply

Provided always that:

- (a) any such person shall operate under the overall supervision and control of the Distribution Licensee and in accordance with the terms and conditions of the Distribution Licence; and
- (b) the Distribution Licensee shall have, prior to delegating any function, informed the Commission of such action and taken its written approval; and
- (c) the Distribution Licensee shall be responsible for all actions of such person in relation to the delegated functions.

30. Anti-competitive practices

The Commission may issue such directions as it considers appropriate to a Distribution Licensee if such Distribution Licensee enters into any agreement or abuses its dominant position or enters into a combination which is likely to cause or causes an adverse effect on competition in electricity industry.

31. Compliance with Regulations, Codes, Orders and Directions

- (i) The Distribution Licensee shall always comply with the Regulations, Codes (including the State Grid Code, the Distribution Code, the Supply Code and the Standards of Performance of Licensees), Orders, Guidelines and Directions issued by the Commission from time to time as may be considered appropriate by the Commission for achieving the purposes of the Act and the State Act and shall act in accordance with the conditions of its Distribution Licence, except where the Distribution Licensee obtains the approval of the Commission for any deviation from such directions and conditions.

- (ii) The Distribution Licensee shall monitor its compliance with the terms of the Distribution Licence and any order, code, guideline or regulations it is required to comply with, and if the Distribution Licensee becomes aware of a material breach, on its part, of the Distribution Licence or any order, code, guideline or regulations, the Distribution Licensee shall notify the Commission of the material breach as soon as possible.

32. Standards of Performance

- (i) If a Distribution Licensee fails to meet the standards specified by the Commission in 'Standards of Performance of Licensees' as applicable to the Distribution Licensee, then, without prejudice to any penalty that may be imposed or prosecution that may be initiated, such Distribution Licensee shall be liable to pay such compensation to the person affected as may be determined by the Commission

Provided that before determination of compensation, the concerned Distribution Licensee shall be given a reasonable opportunity of being heard.

- (ii) The compensation determined under clause (i) shall be paid by the concerned Distribution Licensee within ninety (90) days of such determination.
- (iii) The Distribution Licensee shall, within the period specified by the Commission, furnish to the Commission the following information, namely:-

- (a) the level of performance achieved under clause (i) above;
 - (b) the number of cases in which compensation was paid under clause (ii) above and the aggregate amount of the compensation.
- (iv) The Commission shall at least once every year publish, in such form and manner as it considers appropriate, such of the information furnished to it under clause (iii) above.

33. Co-operation with State Transmission Utility, State Load Despatch Centre and other Licensees

- (i) The Distribution Licensee shall provide to the State Load Despatch Centre and State Transmission Utility and/or other Licensees, such information as may reasonably be required by them to perform their functions and exercise their powers under the Act and/or the State Act.
- (ii) The Distribution Licensee shall always comply with the directions of State Load Despatch Centre and State Transmission Utility issued under the Act and/or the State Act.
- (iii) The Distribution Licensee shall co-operate with generating companies, other Licensees and State Load Despatch Centre for the efficient and co-ordinated operation of the power system.

34. Obligation to install meter

- (i) No Distribution Licensee shall supply electricity, after the expiry of Two years from the Appointed Date, except through installation of a correct meter in accordance with regulations made in this behalf by the Central Electricity Authority:

Provided that the Distribution Licensee may require the consumer to give it security for the price of a meter and enter into an agreement for the hire thereof, unless the consumer elects to purchase a meter:

Provided further that the Commission may, by notification extend the said period of two years for a class or classes of persons or for such area as may be specified in that notification.

- (ii) For proper accounting and audit in the generation, transmission and distribution or trading of electricity, the Central Electricity Authority may direct the installation of meters by a Distribution Licensee at such stages of distribution or trading of electricity and at such location of distribution or trading of electricity, as it may deem necessary.

35. Power to disconnect supply in case of default of payment

- (i) Where any person neglects to pay any charge for electricity or any sum other than a charge for electricity due from him to a Distribution Licensee (or to the generating company) in respect of supply, transmission or distribution or wheeling of electricity to him, the Distribution Licensee (or the generating company) may, after giving not less than fifteen (15) clear days notice in writing, to such person and without prejudice to its rights to recover such charge or other sum by suit, cut off the supply of electricity, and for that purpose, cut or disconnect any electric supply line or other works, being the property of such Distribution Licensee (or the generating company), through which electricity may have been supplied, transmitted, distributed or wheeled, and may discontinue the supply until such charge or other sum, together with any expenses incurred by it in cutting off and reconnecting the supply, are paid, but no longer.

- (ii) Provided that the supply of electricity shall not be cut off if such person deposits, under protest, -
 - (a) an amount equal to the sum claimed from him, or
 - (b) the electricity charges due from him for each month calculated on the basis of average charge for electricity paid by him during the preceding six months,

whichever is less, pending disposal of any dispute between him and the Distribution Licensee.
- (iii) Notwithstanding anything contained in any other law for the time being in force, no sum due from any consumer, as referred to in this Regulation 34 shall be recoverable after the period of two years from the date when such sum became first due, unless such sum has been shown continuously as recoverable as arrear of charges for electricity supplied, and the Distribution Licensee shall not cut off the supply of the electricity.
- (iv) Where –
 - (a) any person neglects to pay any charge for electricity or any sum other than a charge for electricity due from him to the Board, or a Licensee in respect of the supply of electricity to him, and
 - (b) the Board or the Licensee to whom such charge or other sum is due is a Government company or a corporation owned or controlled by the State Government.

Such charge or other sum or the aggregate of such charge and other sum due to the Board or the Licensee shall be recoverable as arrears of land revenue.

36. Protection of Railways, Highways, Telegraphic Lines etc.

- (i) The Distribution Licensee shall not, in the course of distribution, supply or use of electricity, in any way injure any railway, highway, airport, tramway, canal or water-way or any dock, wharf or pier vested in or controlled by a local authority, or obstruct or interfere with the traffic on any railway, airway, tramway, canal or water-way.
- (ii) The Distribution Licensee shall take all reasonable precautions in constructing, laying down and placing its electric lines, electrical plant and other works and in working its system, so as not to injuriously affect, whether by induction or otherwise, the working of any wire or line used for the purpose of telegraphic, telephone or electric signaling communication, or the currents in such wire or line.
- (iii) Where any difference or dispute arises between the Distribution Licensee and the telegraph authority as to whether the Distribution Licensee has constructed, laid down or placed its electric lines, electrical plant or other works, or worked its system, in contravention of clause (ii) above or as to whether the working of any wire, line or current is or is not injuriously affected thereby, the matter shall be referred to the Central Government.
- (iv) The Central Government, unless it is of the opinion that the wire or line has been placed in unreasonable proximity to the electric lines, electrical plant or works of the Distribution Licensee after the construction of such lines, plant or works, may direct the Distribution Licensee to make such alterations in, or additions to, its

system as may be necessary in order to comply with the provisions of this Regulation 35, and the Distribution Licensee shall make such alterations or additions accordingly:

Provided that nothing in clause (iii) above and this clause (iv) shall apply to the repair, renewal or amendment of any electric line or electrical plant so long as the course of the electric line or electrical plant and the amount and nature of the electricity transmitted thereby are not altered.

- (v) Where the Distribution Licensee makes default in complying with the requirements of this section, it shall pay full compensation for any loss or damage incurred by reason thereof, and, where any difference or dispute arises as to the amount of such compensation, the matter shall be determined by arbitration conducted in accordance with section 158 of the Act.

Explanation - For the purposes of this Regulation 35, a telegraph line shall be deemed to be injuriously affected if telegraphic, telephonic or electric signaling communication by means of such line is, whether through induction or otherwise, prejudicially interfered with by an electric line, electrical plant or other work or by any use made thereof.

37. Power to enter premises and remove fittings

- (i) The Distribution Licensee or any person duly authorised by a Distribution Licensee may, at any reasonable time, and on informing the occupier of its intention, enter any premises to which electricity is, or has been, supplied by it, or any premises or land, under, over, along, across, in or upon which the electric supply-lines or other works have been lawfully placed by it for the purpose of –

- (a) inspecting, testing, repairing or altering the electric supply lines, meters, fittings, works and apparatus for the supply of electricity belonging to the Distribution Licensee; or
 - (b) ascertaining the amount of electricity supplied or the electrical quantity contained in the supply; or
 - (c) removing, where a supply of electricity is no longer required, or where the Distribution Licensee is authorised to take away and cut off such supply, any electric supply-lines, meters, fittings, works or apparatus belonging to the Distribution Licensee.
- (ii) The Distribution Licensee or any person authorised as aforesaid may also, in pursuance of a special order in this behalf made by an Executive Magistrate and after giving not less than twenty-four hours notice in writing to the occupier, -
 - (a) enter any premises or land referred to in clause (i) above for any of the purposes mentioned therein;
 - (b) enter any premises to which electricity is to be supplied by it, for the purpose of examining and testing the electric wires fittings, works and apparatus for the use of electricity belonging to the consumer.
- (iii) Where a consumer refuses to allow the Distribution Licensee or any person authorised as aforesaid to enter his premises or land in pursuance of the provisions of clauses (i) or (ii) above or when such Distribution Licensee or person has so entered, refuses to allow it to perform any act which it is authorised by those clauses to perform, or fails to give reasonable facilities for such entry or

performance, the Distribution Licensee may, after the expiry of twenty-four hours from the service of a notice in writing on the consumer, cut off the supply to the consumer for so long as such refusal or failure continues, but for no longer.

38. Information to the Commission

- (i) The Distribution Licensee shall furnish to the Commission, without delay, such information, documents and details related to the Licensed Business or any Other Business of the Distribution Licensee, as the Commission may require from time to time, for its own purposes or for the purposes of the Central Government, State Government, the Central Electricity Regulatory Commission, the Central Electricity Authority, the Regional Load Dispatch Centre, State Load Dispatch Centre, the Central Transmission Utility and the State Transmission Utility. The information shall be furnished in such form as may be specified by the Commission.

- (ii) The Distribution Licensee shall notify the Commission as soon as possible and in no case later than one week after the occurrence of any Major Incident (as defined under the 'Distribution Code') affecting any part of the distribution system and shall, within one month of the date of such Major Incident:
 - (a) submit a report giving full details of the facts within the knowledge of the Distribution Licensee regarding the Major Incident and its cause. The Commission in its own discretion may require the submission of a report to be prepared by an independent person at the expense of the Distribution Licensee; and
 - (b) give copies of the report to the Commission and to all parties involved in the Major Incident as the Commission may direct.

- (iii) The Commission may by order direct the Distribution Licensee to provide such amount of compensation as the Commission may specify to any person who suffers substantial injury or to the heirs of those who have lost their lives, where a Major Incident has been caused by any act of commission, omission or negligence on the part of any of the employees or agents of the Distribution Licensee.
- (iv) The decision of the Commission as to what constitutes a Major Incident shall be final.
- (v) The Distribution Licensee shall, as soon as practicable, report the following to the Commission:
 - a. Any significant change in circumstances which may affect the Distribution Licensee's ability to meet its obligations;
 - b. Any material breach of the provisions of the Act, the State Act, the rules, regulations and codes made thereunder, directives and orders issued by the Commission and the terms of agreements/ arrangements entered into by the Distribution Licensee with other Licensees or generating companies or consumers; and/or
 - c. Any major change in the shareholding pattern or in the ownership, control or management of the Distribution Licensee.

39. Other obligations of the Distribution Licensee

- (i) The Commission may additionally require the Distribution Licensee to:

- (a) enter into an agreement with another person permitting such person to use electric lines, electrical plants and associated equipment operated by the Distribution Licensee;
- (b) furnish information and documents which the Commission may require for its purpose;
- (c) inform the Commission of any scheme permitted by the Distribution Licence which the Distribution Licensee proposes to undertake;
- (d) undertake such functions and obligation of the Board under the Indian Electricity Act, 1910 and the Electricity (Supply) Act, 1948 as the Commission may, through a separate order, specify;
- (e) refer a dispute arising under the Distribution Licence for determination by the Commission or by an arbitrator appointed by the Commission;
- (f) supply electricity in bulk to other Licensees or exemption holder or sanction holder in the State or to any person outside the State;
- (g) comply with any direction given by the Commission; and
- (h) act in accordance with the terms and conditions of the Distribution Licence.

40. Accounts of the Distribution Licensee

- (i) The Distribution Licensee shall:
 - (a) Maintain separate information and statement of accounts for the Licensed Business;
 - (b) Maintain the statement of accounts in such form and containing such particulars as may be specified by the

Commission and till such time as these are specified by the Commission, the accounts shall be maintained in accordance with the Companies Act, 1956 (1 of 1956) as amended from time to time, where applicable, and in accordance with standard accounting practice in all other cases;

- (c) Keep the accounts of the Licensed Business separate from the accounts of any Other Business carried on by the Distribution Licensee, whether licensed or otherwise;
- (d) Prepare on a consistent basis from such records, accounting statements for each Year comprising a profit and loss account, a balance sheet and a statement of source and application of funds together with notes thereto and showing separately the amounts of any revenue, cost, asset, liability, reserve, or provision which has been either:
 - 1. Charged from or to any Other Business together with a description of the basis of that charge; or
 - 2. Determined by apportionment or allocation between the various business activities of the Distribution Licensee together with a description of the basis of such apportionment or allocation.
- (e) Provide in respect of the accounting statements prepared in accordance with the foregoing clauses, a report by the auditors in respect of each Year, stating whether in their opinion the statements have been properly prepared and give a true and fair view of the revenues, costs, assets, liabilities and reserves attributable to the business to which the statements relate, and

- (f) Submit to the Commission copies of the accounting statements and auditor's report not later than six months after the end of the Year to which they relate.

- (ii) Any person authorised by the Commission shall be entitled to inspect and verify the accounts of the Distribution Licensee and the Distribution Licensee shall render all necessary assistance to such person.

Certain powers of the Commission

41. Regulating supply, distribution, consumption and use of electricity

If the Commission is of the opinion that it is necessary or expedient so to do for maintaining the efficient supply, securing the equitable distribution of electricity and promoting competition, it may, by order, provide for regulating the supply, distribution, consumption or use thereof.

42. Investigation and Inspection

- (i) The Commission may, on being satisfied that the Distribution Licensee has failed to comply with any of the conditions of Distribution Licence or has failed to comply with any of the provisions of the Act or the State Act or rules or regulations made thereunder, at any time, by order in writing, direct any person (hereafter in this section referred to as "Investigating Authority") specified in the order to investigate the affairs of the Distribution Licensee and to report to the Commission on any investigation made by such Investigating Authority.

- (ii) The Investigating Authority shall conduct the investigation in accordance with the provisions of the Act.

- (iii) On receipt of investigation report from the Investigating Authority, the Commission may, in accordance with the provisions of the Act and after giving such opportunity to the Distribution Licensee to make a representation in connection with the report as in the opinion of the Commission seems reasonable, by order in writing-
 - a) require the Distribution Licensee to take such action in respect of any matter arising out of the report as the Commission may think fit; or
 - b) cancel the Distribution Licence.

The Commission may also take any other action in accordance with the provisions of the Act

- (iv) The Commission may specify the minimum information to be maintained by the Distribution Licensee in its books, the manner in which such information shall be maintained, the checks and other verifications to be adopted by the Distribution Licensee in that connection and all other matters incidental thereto, as are, in its opinion, necessary to enable the Investigating Authority to discharge satisfactorily its functions under this Regulation 42.
- (v) For the purposes of this Regulation 41, the expression “Distribution Licensee” shall include, in the case of a Distribution Licensee incorporated in India—
 - (a) the subsidiaries of such Distribution Licensee formed for the purpose of carrying on the business of distribution of electricity exclusively outside India; and
 - (b) all its branches whether situated in India or outside India.
- (vi) All expenses of, and incidental to, any investigation made under this Regulation 42 shall be defrayed by the Distribution Licensee

and shall have priority over other debts due from the Distribution Licensee and shall be recoverable as arrears of land revenue.

- (vii) For the purposes of preventing the contravention of any term of the Distribution Licence or provision of the Act or the State Act or rules or regulations made thereunder, the Commission may, in accordance with Sections 34, 35, 36, 37 and 38 of the State Act, pass an interim order or a final order or convert an interim order into a final order.

43. Introduction of Competition

- (i) Subject to the provisions of the Act, the Commission may grant a Distribution Licence to any person(s) in the same Area of Licence as that of the existing Distribution Licensee,
- (ii) For the purposes of introducing competition, and in order to ensure co-operation and co-ordination between the different Distribution Licensees in the same Area of Licence, the Commission may issues such appropriate orders modifying or amending the Distribution Licence as it may deem fit:

Provided that no such order shall be passed unless the Commission provides reasonable opportunity to the Distribution Licensee of being heard on the proposed modification or amendment.

44. Expected Revenue Calculation and Tariffs

- (i) The Distribution Licensee shall follow the methodology, procedures and directions included in the Tariff Regulations and in other orders of the Commission as may be issued from time to time, while filing

the statement of Annual Revenue Requirement (ARR) from charges and for proposing or amending any or all of its tariffs.

- (ii) The amount that the Distribution Licensee is permitted to recover in the form of its tariffs in any financial year is the amount that the Commission determines in accordance with Section 62 of the Act.

45. Provisions applicable to Deemed Licensees

The general conditions of Distribution Licence specified in these Regulations shall be applicable to a deemed licensee under the first, third and fifth proviso to Section 14 of the Act.

CHAPTER - 5

Miscellaneous

46. Savings

- a. Nothing in these Regulations shall be deemed to limit or otherwise affect the power of the Commission to make such orders as may be necessary to meet the ends of justice or to prevent abuse of process of the Commission.
- b. Nothing in these Regulations shall bar the Commission from adopting a procedure at variance with any of the provisions of these Regulations, if the Commission, in view of the special circumstances of a matter or class of matters and for reasons to be recorded in writing, deems it necessary or expedient in order to deal with such a matter or class of matters.
- c. Nothing in these Regulations shall, expressly or impliedly, bar the Commission from dealing with any matter or exercising any power under the Act, and the Commission may deal with such matters, and exercise such powers and functions in such manner as it thinks fit.

47. Power to remove difficulties

If any difficulties arise in giving effect to any provisions of these Regulations, the Commission may, by general or special order do any thing, not being inconsistent with the provisions of the Act or the State Act or the rules, regulations or codes made thereunder, which appears to it to be necessary or expedient for the purpose of removing the difficulties.
