Cut-off Date: 28-02-2020 for Accepting Applications of Residential Consumers on Web Portal - SURYA GUJARAT

"Surya-Gujarat" (Surya Urja Rooftop Yojana) - solar rooftop scheme launched from 05-08-2019 by the Government of Gujarat with an intention to make the Electricity Consumers of Residential Category generate energy at their homes, and may sell surplus amount of energy after consuming it as per their need and in turn get the relief in their electricity bill as well as earn extra income.

The scheme has received an overwhelming response from the residential category consumers. The State Government has fixed a cut-off date of **28-02-2020** for the consumers to get their applications registered under the said scheme for FY 2019- 20. Thus, only those applicants whose applications are duly registered on Surya-Gujarat Portal with required documentations up to **28-02-2020** will qualify to get subsidy benefits as declared for 2019-20 by the Government. Our valued consumers as well as Empanelled Agencies are requested to take the note of above.

Date: 30.01.2020

Chief Engineer(Technical)
